Introducing “Per User” Subscription Pricing for SecurTrac. The Ultimate Compliance Solution for HCL Domino!

Extracomm is excited to announce a **game-changing update** to the pricing model for our award-winning SecurTrac compliance solution for HCL Domino! Until now, SecurTrac has been available exclusively with a “**Per Server**” pricing model. We've listened to your feedback and are proud to now also offer a “**Per User**” **subscription pricing model!**

Why is this a big deal?

This new pricing model makes it easier and more affordable for **small and mid-sized businesses (SMBs)** to implement a powerful, enterprise-grade compliance solution within their **HCL Domino environment**. Now, you can safeguard your organization’s sensitive data and meet compliance regulations without breaking the bank.

Key Benefits:

- **Affordable & Easy to Scale:** No need to worry about server counts or complex licensing. As your team grows, simply add more users.
- **Award-Winning Protection:** Leverage the same top-tier, trusted security and compliance features that have earned SecurTrac its reputation in the industry.
- **Seamless Integration:** Easily integrate with HCL Domino and maintain business continuity while strengthening security.

Make Compliance Easy & Affordable: SecurTrac helps you ensure regulatory compliance, data protection, and peace of mind—all within a simple, flexible pricing model designed to fit your business size and needs. [Get started today](#) and leverage SecurTrac to meet all compliance requirements in HCL Domino. [Contact us now](#) to learn more about how SecurTrac’s “Per User” subscription pricing can work for you!
